

K-love radio is crucial to me and my family. We surround ourselves with the positive and encouraging influence of GOD. People go through more trials and hardships than ever and while some they choose some they do not and we depend on GOD to guide us and get us through. Without K-Love Radio and the songs that lift us up and keep scripture, psalms and BIBLICAL STORIES in our hearts and minds things can get pretty discouraging and can get us down. K-love is a part of our community, church, and family. Christian radio personalities are vital to share their trials and the way that God brought them through...K-LOVE IS A VEIN THAT I DO NOT WANT MY TOWN LIVING WITHOUT . K-LOVE TRANSPORTS VITAL LOVE THAT FELLOW CHRISTIANS DEPEND ON. PLEASE DO NOT REPLACE K-LOVE WITH AN LPFM.
